Four community notification levels apply. The higher the level assigned, the broader the notification to the community. Level 1 (Low) warrants minimal notice to the community (usually other law enforcement and/or members of the offender's household only). Level 2 (Moderate) warrants limited notice to specific groups. Level 3 (High) warrants notification of all community members likely to encounter the offender. Level 4 is reserved for offenders who have a habitual or serious pattern of offending and are deemed sexually violent predators.

This notification is not intended to increase fear. It is our belief that an informed public will be safer. Information is available through many resources, including the state website maintained by the Arkansas Crime Information Center. More information is available from the resources listed on the back of this flyer. **Citizen abuse of this information to threaten, intimidate, or harass offenders will not be tolerated.** Such abuse could potentially end law enforcement's ability to share this information with the public.
